

# R3Location

Reliability Reputation Relationships

## Careful Planning

R3Location has developed a **meticulous planning approach** to include **immediate** contact with the assignee to establish precise relocation timelines and manage expectations

**Benefit**  
Mitigating future risks of failure

## Local Connection

R3Location **always** meets assignees **face to face** at the beginning, and where appropriate, facilitates relevant introductions to **provide support to the family**

**Benefit**  
Feeling safe in new location

## Continuous support

R3Location is the only **centrally based London** relocation company. This means **instant, on the ground**, face to face support when assignees and their families require it.

**Benefit**  
Peace of mind

“ Unlike others in the industry, we don't just deliver relocation services, we live it!  
**Marco Previero, R3Location Director** ”
