

R3 wins top award... Again!
Destination Service Provider of the Year for 2nd year running!

■ **The Best Things in Life R3!**

We are delighted to have won the Destination Service Provider of the Year award for a second successive year in July 2016, beating a distinguished field of mature destination services companies.

■ **Service excellence**

Once again, the judges commended R3Location for its contribution to the Industry, its knowledge of the market and its focus on delivering innovative relocation services over and above what the market has to offer.

■ **Thank you**

A huge thank you to our partners and our clients who put their trust in R3Location right from the start. We look forward to continuing to work with you all and to challenging ourselves to keep raising the bar for destination services... and perhaps going for three out of three next year....?
