# R3SEARCH **CAPABILITIES**

## A DSP like no other

### No one else does what we do

We are the only relocation company in the UK providing free qualitive research on the market, focusing on publishing that is relevant for corporates and the relocation industry. FIGURE 1 below lists our principle outputs and type of content they include.

## We don't just say we're experts

Market expertise at R3 comes from **sustained** investment in research and analysis. R3 has spent the last 10 years providing insightful data on the market. So, we don't just say we're experts; we demonstrate it with tanaible research evidence and published insights.

## Why is it important?

It's important for two reasons:

#### Reason #1

Clients want to deal with market experts when engaging providers for Services locally. They want an organisation that understands the market to best represent their moving employees.

#### Reason #2

level of R3. This means that our moving to the UK. in-house Account Managers

benefits from the cumulative and ongoing knowledge we gather through investing in this

Unlike many in this market, we do not outsource this critical element of support to third party contractors, instead we nurture and develop the knowledge we gather to ensure we can use it every day and deliver real value for assignees moving to the UK.

### Why settle for anything else?

Make sure you trust experts with Destination your employees' relocations. Chose a company with a knowledgeable in-house team to provide support. Beware of choosing outsourced the alternative. It could prove more expensive in the long-run, and Research filters down at every more frustrating for assignees
